A Change of Seasons

Anne Heywood's Pastel Paintings at the Marion Art Center

As is appropriate with the colors of fall — the brooding brown tones of weathered lawns amidst the brilliant hues of colorful leaves as they wither and die — artist Anne Heywood brings these two diverse elements together into captivating images of vacant landscapes and mysterious pilgrim characters.

In a one-person exhibit called "Changing Seasons," which opens at the Marion Art Center this Sunday, Ms. Heywood offers examples of her craft which contain both subject matter.

"It's a mixture of both pilgrim scenes and New England landscapes," she noted during a recent interview. "I wanted to keep with the theme of 'Changing Seasons' ... especially more toward the end of the (fall) season. Most of the paintings are based on actual settings ... some from Maine, some from this area, some from the Cape."

Ms. Heywood's "Changing Seasons" is a collection of pilgrim life and landscape paintings depicting new world and new season transformations most often remembered at this time of year. Ms. Heywood's works are realistically executed in pastel, an ideal medium for expressing both the vibrant colors of New England and the subtle hues of pilgrim villages.

Having grown up in New England, Ms. Heywood harbors an inherent interest in colonial and pilgrim life, and found the latter to make an ideal subject for her pastel artwork.

"I went down to Plimoth Plantation awhile ago. I've always been fascinated by that life," she said. "I asked if I could take some photos of the various people and have based many of my paintings on them. That part of history has always been fascinating to me. It's amazing the hardships they had to face ... and how they maintained a certain sense of peace."

"I guess my pilgrims are pretty humble ... they're just doing what they need to get by."

Her depictions of lone pilgrim villagers going about their daily chores or tending to their gardens are among her most striking works. Two prime examples are "The Last Crop," in which the red-clay earth seems to burst forth from beneath the hands of a pilgrim woman, and "Butter Day," which depicts a simple pilgrim woman preparing to churn butter beneath the yellow hues of an early morning sun.

"I really think that people's minds were a little more at ease back then," she said. "And I think (the pilgrim subject matter) is appropriate for this time of year."

Born in Newport, RI and currently residing in East Bridgewater, Anne Heywood paints in her home studio and in Maine during the summer. She lived for many years in Naples, Italy, and credits her time there as being formative to her love of dramatic color found in nature. Her works have been exhibited in national and local art competitions. She is an artist member of the Connecticut Pastel Society and a supporting member of other art societies throughout Maine and Massachusetts.

"As a kid I always liked to paint, and my mother was very supportive of my work," she said. "For a couple of summers she sent me to different art workshops."

Though her preferred mediums are pastels and oil pastels, she also works with pen and ink and charcoal. Regardless of the medium, however, Ms. Heywood's works all capture the vibrant colors of her native world.

"The places where I've lived have certainly influenced my work," she said. "I think my love of colors also lends itself to pastels ... I tend to use a high key — a contrast of very dark (shading) and very bright colors. I think my time in Europe had a lot to do with it ... and certainly the fall colors of New England."

The one-person show will open this Sunday, October 23 with an opening reception at the Marion Art Center from 4:00 to 6:00 pm. The exhibit will run through November 17. The Marion Art Center, located at 80 Pleasant Street in Marion, is open to the public Tuesday through Friday, 1:00 to 5:00 pm, and on Saturday, 10:00 am to 2:00 pm.

On the cover: "Salt Marsh, Low Tide," a pastel painting on granular board by artist Anne Heywood, is just one of the offerings which will be part of her one-person exhibit, "Changing Seasons" opening at the Marion Art Center this weekend. (Photo courtesy of Anne Heywood.)

more time to devote to the town. Ms. Adams noted that a copy of the letter would be forwarded to FinCom Chairman Elizabeth Kunz for consideration.

Likewise, a letter was submitted from Jack McGill, who suggested Joseph C. "Jay" Hermann as a possible candidate to serve as an Alternate Member on the town's Zoning Board of Appeals. This letter would also be forwarded for consideration.

Notification was sent to the Selectmen regarding the establishment of a William Reed Scholarship Fund in honor of the recently-retired principal of Old Hammondtown School. The scholarship will be awarded for each of the next eight years to graduating seniors from the area who attended Old Hammondtown School. The fund goal is \$2,000, and contributions, made payable to "William Reed Scholarship Fund," can be sent to: Old Hammondtown School, Shaw Street - Box 477, Mattapoisett, MA 02739.

fall, I am afraid the courts may be near ruin by spring."

Ms. Adams noted that plans have already been discussed to patch and/or repave the courts, and a proposed article is pending for the next Special Town Meeting to fund the project.

A Renewal Notice for an outdoor advertising sign was sent from the 1812 House on Marion Road for a sign located on Route 6. Unless the board had any objections, the permit would automatically be renewed on January 1, 1995.

Chairman DeCosta noted that an official from the Fairhaven DPW called him this week to inform him that the Southeast Regional Planning and Economic Development District (SRPEDD) gave tentative approval to a proposed bicycle path project which would utilize the existing railroad tracks running from Fairhaven, through Mattapoisett and into Marion. Funding for the project would be provided under SRPEDD's ISTEPA Program.

"We'll have to form a committee with representatives from each town and come up with a preliminary design for the project," Chairman DeCosta said. "Then we'll need to submit a joint application to SRPEDD."

The board also received correspondence from the Department of Environmental Protection (DEP) regarding the 1995 Municipal Recycling Rules and DARP Program. "One of the tasks of this deliberation process was to define which single polymer plastics and recyclable paper would be targeted in 1995," the letter stated. "DEP believes that the outcome will help stimulate the expansion of recycling without unduly burdening municipal programs." For curbside programs at least one type of narrow neck plastic container and one other type of paper besides newspaper will be targeted.

one-ton at \$24,091 and the three-quarter-ton with plow at \$19,442 without the trade-in of the 1986 half-ton pickup. Mr. Pickles affirmed that the DPW has enough in their budget for the purchase without the trade-in. The truck was then given to the Marine Resource Commission.

The board, being informed of possible further delays in the cleanup of the Delano Road project, expressed its frustration with the progress thus far. "My patients have worn out," said Ms. Schaefer.

"Is there any way we can impose a deadline?" Mr. Winters asked.

"If they haven't started by the October 26, we'll go back to the original agreement in the contract," said Ms. Schaefer. The board agreed. The residents will be informed via letter of the proposed time table for clean up once the board has them in its possession.

requesting the board to set the Annual License Renewal Fees for 1995. The fees have remained stable since 1988. Ms. Schaefer asked that a survey be performed of area fees for comparison. Marion's fees are mid-point. "I don't see any reason to raise them, we can always review them next year," said Mr. Winters. Ms. Schaefer agreed the fees should be examined on a yearly basis. The board then voted to maintain the current fee rates for 1995.

Mr. Lee Craver informed the board that Edwin "Ted" Pratt had submitted a letter of resignation from the Housing Co-Op. The board accepted the resignation with regret and will be sending Mr. Pratt a letter thanking him for his service on the board.

The dollar amount designated for transfer as indicated in Article 3 (Waste Water Remediation Project) for the October 25 Special Town Meeting has been set at approximately \$20,000 as opposed to the previous amount of \$35,000.

At 7:25 pm, the board voted to enter Executive Session to discuss a pending Personnel Matter that could affect the reputation of an individual. The board would leave Executive Session only to adjourn for the evening.

Rochester Selectmen's Meeting October 17, 1994

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, October 17 at 7:00 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael Murphy, and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the October 11 meeting, with some minor corrections from Selectman Hawkes, the board reviewed incoming correspondence for the week, beginning with a letter from Harry A. Brown, the town's E-911 coordinator, regarding the remodelling work now being done at the Communications/Fire Station.

Mr. Brown noted that all the necessary paperwork has been submitted in preparation for the town's upgrade to the Enhanced-911 telephone system sometime in February or March of 1995. Since the dispatch center at the town Fire Station has been dismantled, Mr. Brown suggested that the next step will be to construct a new center to meet the requirements for the E-911 system and bids for said project should be solicited within the next three months.

Chairman Hughes said he talked to both Mr. Brown and officials of Enhanced-911, and they agreed that the work on the Communications Center should be completed by early 1995. "I think we should ask (Fire Chief Joseph H. Clapp) if the individual who is doing the renovations can complete them in time," Chairman Hughes said. "If they can't, we should put the project out to bid."

The board next received a check from SEMASS in the amount of \$151,840.98, representing a total of 76,302 tons collected for the month of September.

The Conservation Commission (ConCom) also submitted a written request to seek the advice of Town Counsel in preparing articles for the next Annual Town Meeting. Selectman Hawkes motioned to grant permission to the ConCom, which was unanimously approved by the board.

At 7:10 pm, the board met with Joseph Savaria, Jr.

regarding several dogs kept at his property on Cushman Road. Last week, Mr. Savaria was called before the board because his pit bulls were reported running loose and one had bitten a neighbor and killed another's dog. The Selectman issued a restraining order, asking that Mr. Savaria keep his dogs either in the house, in a kennel, or on a leash.

However, further reports this past week suggested that Mr. Savaria's dogs were still running loose in the neighborhood, and he was asked to answer to these allegations.

"When you were here last week, we told you your dogs had to be restrained, and you agreed," Chairman Hughes said.

"Those dogs weren't my dogs," Mr. Savaria contested. "The dog that bit (Ms. Hartley) wasn't my dog."

Chairman Hughes went on to read a report from Assistant Dog Officer Kathleen Massey, who was called to Mr. Savaria's house on Friday, October 14 by Ms. Hartley. According to the report, the same dog that bit Ms. Hartley was seen loose in the neighborhood.

"That's impossible," Mr. Savaria said. "I left the house early in the morning, and those dogs were in the house ... (my girlfriend) was there all day and those dogs were never loose."

Although another neighbor informed Ms. Massey that the dog which was seen running loose was Mr. Savaria's, there was still some question as to whether it belonged to him. Mr. Savaria claimed that another dog which resembles his is often seen on his property.

Dog Officer Tom Medeiros said there has been some confusion as to exactly how many dogs are kept on Mr. Savaria's property. "I want to know how many dogs are kept there and who they are licensed to," he said. "We

have reports that up to four dogs are on the property."

Mr. Savaria said there are four dogs on his property, but only one is licensed.

"All dogs need to be licensed if they are kept in town," said Chairman Hughes. "You need to see the Town Clerk and get a license for each dog."

After Mr. Savaria agreed to license the other three dogs, Chairman Hughes stressed that in light of the questionable nature of the incident — and the fact that no one else witnessed the dogs off his property and Ms. Hartley was unsure if it was Mr. Savaria's dog — they would keep the restraining order in place and use whatever means to enforce it the next time around.

"The law is very specific on this," he said. "If you

are in violation of a restraining order, and we can verify that your dogs were loose, they will be picked up and disposed of ... either by you or (the town). Do you understand what that means?"

Mr. Savaria nodded in agreement. "If you catch my dogs loose, you want their heads," he said.

Selectman Hawkes motioned that since Mr. Savaria had been duly notified, if the dogs are found unrestrained, the Board of Selectmen will be empowered to have them put down. The motion was passed unanimously by the board.

At 7:30 pm, the board opened Requests for Proposals (RFP's) for a parcel of land adjacent to Town Hall. There being only one submitted RFP from the First Congregational Church, the board unanimously voted to exchange said parcel of land for a parcel of land owned by the church (estimated \$22,600 value) to allow for future expansion.

"This was an exchange which was approved by Town Meeting vote," Chairman Hughes said. "Right now, we're making it official. The church has agreed to assume the expenses of preparing the deeds."

The board also signed and approved a transfer of \$128 to pay for advertising the RFP Land Swap (the amount was an unforeseen expense) and also approved payment of \$1,250 to the accounting firm of Roderigues, Guckin and Tobojka for preparing an overview report of

the town's finances.

Town Counsels Kopelman and Paige also sent a copy of their letter to Town Treasurer Doris Boucher regarding the acceptance of funds to construct a town dog kennel. Under state law: "Any officer or department of the town may accept grants or gifts of funds with the approval of the Board of Selectmen."

The letter went on to state that once an account had been established, the funds could only be expended by the Board of Selectmen for the specific purpose for which they were intended. The board unanimously voted to allow Ms. Boucher to set up an account for this purpose under the advisement of Dog Officer Tom Medeiros.

Mattapoisett Woman's Club at Harbor Days are faulty and will not last through normal use and/or washing. The company is recalling and replacing (at no cost to the buyer or the club) all those coverlets which lack a double row stitching along both sides. Only the first shipment of blue and green afghans is affected. All of the cranberry coverlets and any blue or green purchased after August 1, as well as any picked up at the Bowlmor Lanes Bowling Alley, are not in the recall.

The new coverlets (blue and green) should be in by the third week of November. A time and place for the exchanges of the coverlets will be forthcoming.

The Mattapoisett Woman's Club apologizes for the inconvenience this causes to their loyal supporters. If you purchased a coverlet at Harbor Days and have any questions, please call Lois Murray (758-4949) or Barbara Ketchel (748-9593).

A Special "Thank You"

I would like to thank (Mattapoisett) police officers Silveira, Lyons, and Suzan, along with EMT John Risgin for their much needed help in transporting me to Tobey Hospital last Thursday (October 6). I would also like to thank an unknown female customer of Uncle Jon's Java House for being so kind as to phone for help for me. I greatly appreciate everyone's help. Thank you, again.

Sincerely,
Staci Fallon

Mattapoisett PTA

The Mattapoisett Parents-Teachers Association (PTA) held a well-attended Open House and Business Meeting on Tuesday, October 4. The Open House was to welcome the new Old Hammondtown School Principal, Bob Rosenblatt, and also to introduce new members to the workings of the PTA.

Lois Sager, the PTA Co-President, started the meeting with a brief outline of all the many events that have already gotten underway this fall. The membership list has topped the 200 mark, with approximately \$3,000 raised in dues. The Innisbrook Wrapping Paper fund raiser was also a huge success, raising about \$9,000. Also, a new line of school t-shirts, introduced by Sue Wahl and Polly Rousseau, were greeted with great enthusiasm. The Playground has been tended to and the PTA Newsletter has already published two informative issues.

Plans for upcoming Book Fairs to be held in November at both Center and Old Hammondtown Schools were discussed, as well as plans for the annual Holiday Workshop to take place at Center School in December. Maureen McQuillan introduced an idea of a Used Sports Equipment Consignment Sale to partially benefit the PTA. This event was warmly received and has been scheduled for November 2 and 3 at Center School from 4:30 to 7:30 pm. This will be a wonderful opportunity for everyone to clean out their attics and cellars, find all those skates, skis, cleats, mitts, and other items that no longer fit and now could earn some money for you and the PTA. More information on this will follow.

The next meeting of the Mattapoisett PTA will be held at Center School on Tuesday, November 1 at 7:00 pm. New ideas, new members, and all interested persons are invited to attend and become an active part of our children's educational lives.

Nursing Home Drill Needs Help

The Mattapoisett Nursing Home, in cooperation with the Mattapoisett Fire, Police and Civil Defense Departments, will be conducting a Disaster Simulation Drill. Fire Departments from surrounding communities will also be involved. This exercise provides a unique opportunity to sharpen the skills and awareness needed for disaster preparedness. Participating in a disaster simulation exercise gives everyone a chance to learn without people being at risk and have fun at the same time.

All residents will have been informed of the drill and will be "interested observers" only. Each resident's privacy and safety will be guarding and protected during the exercise. One reason for an evening drill is to ensure that a majority of the residents will be in bed, away from the areas of intense activity. Staff on duty that evening will be focused primarily on ongoing care.

The Disaster Simulation will be held on Friday, October 28 at 8:00 pm. Please consider being a volunteer and call Mary Tondreau, Activities Director, at 758-2512. The Mattapoisett Nursing Home thanks you for your

Candidates' Night at ORR

On Wednesday, October 26, the Tri-Town League of Women Voters will sponsor a Candidates' Night for the November 8 State Election. Held at the Old Rochester Regional High School (Route 6 in Mattapoisett), the night will start promptly at 7:30 pm as the participants' schedules are very tight.

Along with candidates' presentations, there will be a generous question and answer session. Even unopposed candidates will be present to give their constituents updated information and answer pressing questions. The moderator will be Mary Schmidek, the past president of the Marion/Mattapoisett/Rochester League of Women Voters, and currently a member of the Massachusetts League of Women Voters State Board.

Incumbent U.S. Congressman Barney Frank (D, unopposed) will begin the evening. After a five-minute opening speech he will answer written questions from the floor. questions at this time.

The other candidates who have accepted the League's invitation to participate include: for State Senate — Marc Pacheco (D, unopposed); for State Representative — William Straus (D). (Republican candidate Robert Desrosiers was invited but has chosen not to attend).

For County Commissioner — Kevin Donovan (D) and Robert J. Stone (R). For Governor's Council — David Constantine (D, unopposed).

The second part of the forum will follow the same time schedule as with Rep. Frank. League timers are very strict, so it should be an interesting and brisk evening. Pencils and paper will be provided for those who wish to ask questions. A screening committee is planned, which in the interest of time may, on occasion, combine several questions on the same subject into one and eliminate others.

This session has been made part of an ORR High School social studies project and students are urged to attend. Dorothy Lewis, League member from Mattapoisett, and Polly Mort, School Registrar, are coordinating the students to actively help in the program. There will be student "runners" and also several students on the question screening committee to make sure the younger generation's point of view is represented.

The local league is very impressed with ORR's participation in voter service projects. The Tri-Town

League of Women Voters and ORR High School are among the state leaders in this area of cooperation.

The candidates night is the first public meeting to be held in the newly-renovated ORR Auditorium. It is hoped that the public will attend to hear and meet the candidates while admiring the results of their tax dollars.

Chicken Pie Supper

The Marion United Methodist Church will be conducting its annual Chicken Pie Supper on Saturday, October 29. There will be two sittings — one at 5:00 pm with the second at 6:30 pm. The menu will include chicken pie, garden peas, butter nut squash, mashed potatoes, roll and butter, beverage, and grapenut pudding or jello for dessert. Adult dinner prices are \$7, with children's dinners priced at \$4. Reservations can be made by calling 748-2195 or 763-8423. The church is located at the corner of County Road and Route 105, just north of Route 195 in Marion.

Mattapoisett Boy Scouts

The Mattapoisett Boy Scout Troop 53 has started their meetings for the 1994-1995 school year. Activities are not confined to the school year, however, and often continue throughout the summer. Many scouts completed a week at Boy Scout Camp Cachalot in Carver. The boys also participated in a weekend trip to Westover Air Force Base for an Air Show.

Upcoming events include popcorn sales; "Scouting for Food," a fund raiser for the United Way; and "Biking for Sight," which benefits the Lions Club. The troop also plans a weekend hiking and camping trip in New Hampshire.

Any boy in Grade 6 or older that is interested in joining the Boy Scouts can either call Scoutmaster Phil Gaudet (758-9403) or Assistant Scoutmaster David Gundersen (758-4709).

The program will address all those areas which affect the opportunities students have after high school. Time will be spent addressing the academic requirements of the colleges, the skills necessary to be successful, the college admission process, financial aid, and the importance of early financial planning. When asked if this was designed primarily for the parents of very talented students, Mr. Montague replied: "Not at all." He added: "While these parents will find it helpful, our intent is to describe the importance of planning for those students who may not yet be thinking about college at all."

There is no charge for this program and all parents are encouraged to take advantage of this opportunity. As Mr. Montague noted: "We hope that those parents who may not have gone to college, or may not be as familiar with today's requirements, make a special effort to attend. This program will be geared to their needs and concerns."

If you have questions about academic requirements, concerns about how you can afford the costs, or want to learn about the most effective strategies for assisting your child, make plans to attend this timely presentation.

REALTOR

ON DEDUCTING POINTS

When you take out a new real estate loan for the purchase or refinancing of a home, there will usually be points to be paid. One point equals one percent of the amount of the loan. Can you deduct this amount from your current taxable income? It all depends.

If the loan is for the purchase of a new home, the dollar amount of the points is fully deductible in the year you paid it. However, if the loan is for the refinancing of a present mortgage, the points are not currently deductible. Instead, they must be written off over the life of the mortgage.

For example, if you refinance a mortgage for \$100,000 for 15 years and pay two points (\$2,000), you can deduct 1/15th of the amount paid for points each year - \$133.33.

There is one condition where you can refinance your home and deduct the amount paid for points in the current year; that is if the mortgage proceeds are to be used for home improvements.

Marion Art Center

The Price

Arthur Miller's play, "The Price," will open at the Marion Art Center on Thursday, November 3 at 8:00 pm. The drama takes place in a crowded attic full of furniture and other objects that belonged to the father (deceased 16 years ago) of two brothers. Viewers will relate to the universal dilemma of the problems of dealing with an older relative and what to do with his things.

After twenty years, two estranged brothers (played by Duane Minton and Donn Tyler) meet in the place where their father lived in order to decide what to do with his "things." The often animated conversations reveal the major differences between the two as they try to come to terms with family history and work towards a reconciliation. One of the brothers is married, and neither he nor his wife (played by Anne Schenck) is fully aware of "the price" that each one has to pay in order for reconciliation of the past and the future to occur.

Then Mr. Solomon, the aged antique dealer, enters

the scene. Solomon (played by Jim Carr) is the catalyst for confrontation. One brother wants to sell the attic full of furniture and the other has different ideas. Even though "daddy" is not there, his influence on the two brothers is evident. And Mr. Solomon, who had given up on life, suddenly feels revitalized by the situation.

techniques to help people absorb — and remember — the key characters, geography, and major themes of the entire Old Testament.

Auditorium floors are turned into "maps" as people sit or stand near "Bible lands and waters." The vibrant teaching is frequently punctuated by hand movements and group recitations. In just six hours, virtually anyone is able to master a survey of the Old Testament, even if they had very little knowledge beforehand.

According to Pastor George Taylor of the First Congregational Church of Rochester: "For too many people, reading the Bible is a struggle because they just don't know the history or geography of Bible lands. The Walk Thru the Old Testament is the best way I know to overcome the barrier in just a few entertaining hours ... and I can tell you that even a seminary graduate can learn a thing or two from this seminar."

Anyone interested in attending the seminar should contact Pastor Taylor at the First Congregational Church of Rochester at 763-4314 or Wayne Asker at 748-3049.

Adoptable Animals

This week, Animal Umbrella is featuring a recent mother cat found bound in a box and placed in a restaurant dumpster to later be incinerated. Luckily, she was heard and rescued and is now learning to trust people again. She is a petite black and white with double paws who is just waiting for that certain someone to give her a new beginning.

any of the latest animals up for adoption, please call one of the local Animal Umbrella representatives:

- Mary Lou at 994-6168
- Diane at 997-4037
- Priscilla at 758-2896.

A fund raiser for Animal Umbrella will be held on Saturday, October 22 with a rain date set for October 23. This Gigantic Yard Sale will take place at 11 Park Street in Mattapoisett, from 9:00 am to 3:00 pm. Ample parking is available across the street in the Holy Ghost grounds. All proceeds from the event will go towards spaying and neutering abandoned cats in the area.

Available from private pet owners this week: three playful, friendly and house-broken kittens born on August 2. They need to find good homes where they will be taken care of and loved. If they don't find homes soon, they will be taken to the Animal Rescue League and face an uncertain future. Please call 758-4461 after 5:00 pm if interested.

Also available: two beautiful, six-week old kittens (long-haired tiger females) who have been tested and have had their shots ... and a very special terrier cross dog. She's older (about 8 years) and is very petite, has had all her vaccinations, and recently had her teeth cleaned. She is slightly hard of hearing, but seems to respond to hand signals. This pet would make a perfect addition for a family or loving couple. If interested in either of these two animals, please call Tara at 748-2164.

Also in our lost and found bin this week — FOUND: in the vicinity of Homestead Court and Cathaway Lane in Mattapoisett - a grey, fat and friendly

Echinacea and the Native American

To the American Sioux Indians, Echinacea was a plant of many wonders. They discovered and explored its remarkable properties, and used it for a great variety of purposes.

When the weather turns cold and wet, or we're not feeling well, we often turn to "little helpers" - a warm hat, a favorite pair of gloves, or a bowl of chicken soup. It's at these times you'll most appreciate having Echinaforce as a part of your family's stay-healthy diet regimen.
